

## Early education... Dreams come true

On April 1<sup>st</sup>, Springboard was invited to a combined graduation ceremony for all the day care students of Barangay Merville: Wella , Hilltop, Cubic and Malaya Day Care Centers at the Belvedere basketball court.

The joyous occasion was attended by sponsors who delivered inspirational messages to the graduates and congratulated them on their recent accomplishments. Noted special guest was Ms. Melanie Jamieson of the Manila St. Andrews Society which has been very active sponsors of the Wella Day Care Center. In past year, Manila St. Andrews Society has helped the Wella Day Care Center with classroom and bathroom renovations and a water connection to secure running water in their toilet facilities. The Manila St. Andrews Society has also donated school supplies for the students of Wella Day Care Center and teaching materials for their teachers.

The joint efforts of the teachers, parents and sponsors have been instrumental in helping the students acquire the knowledge that will help them do well in their school life. Better educational materials and facilities contributed to the fact that everyone was very happy with the outcome of S.Y. 2010-2011.

The Manila St. Andrews Society will continue to support the Wella Day Care Center, and in preparation for the new school year, they have donated school supplies to the day care students. The day care students, in turn, presented their sponsor with a thank you card with heartfelt messages of gratitude.

We would like to thank everyone who has worked so hard to help the day care students become better prepared to enter grade school next school year. And a big thank you also to the Manila St. Andrews Society for their never-ending support and encouragement.
